

Hamilton Brook Smith Reynolds is Recognized as a *U.S. News - Best Lawyers*® “Best Law Firm” for Patent Law and Trademark Law

November 1, 2019 (Boston, MA) - Hamilton Brook Smith Reynolds has been ranked in the 2020 *U.S. News - Best Lawyers*® “Best Law Firms” lists both nationally and regionally as a top-tier firm for patent and trademark law. This marks the seventh consecutive year that the firm has been recognized for patent law, and the third year for expertise in trademark law. To be recognized as a Best Law Firm, the firm must have at least one lawyer recognized as a Best Lawyer. Hamilton Brook Smith Reynolds is proud to have nine attorneys who have achieved the ranking *U.S. News - Best Lawyers*®: David Brook, Alice Carroll, John DuPré, Susan Glovsky, Giovanna Fessenden, Deirdre Sanders, Jim Smith, Mark Solomon, and Mary Lou Wakimura.

John DuPré, President and Principal at Hamilton Brook Smith Reynolds, commented, “We are proud that our firm was recognized again as a Best Law Firm among all of the firms in the intellectual property field. Our continued recognition shows the high level of respect we maintain for our patent and trademark law practices.”

Receiving a top-tier designation reflects the level of respect a firm has earned among other leading lawyers and clients in the same communities and practice areas for their abilities, professionalism, and integrity. Each year, the *U.S. News - Best Lawyers* “Best Law Firms” rankings continue to attract a higher number of participating firms and a higher number of client ballots, which as a result more accurately reflects the field as a whole.

Hamilton Brook Smith Reynolds is among New England’s largest law firms devoted to the practice of intellectual property law. The firm specializes in patents, trademarks, intellectual property litigation, copyrights, licensing, due diligence, opinions, trade secrets, and intellectual property counseling. The firm’s legal staff provides comprehensive intellectual property expertise in a wide range of technical areas, including biotechnology, chemistry, computer hardware and software, telecommunications, medical devices, pharmaceuticals, physics, optics, nanotechnology, and electrical, chemical, and mechanical engineering.

Our Firm Patents a Wide Range of Technologies.
