INDUSTRY ACKNOWLEDGMENTS

- Massachusetts Lawyers
Weekly Unsung Hero
Award (IS category)

Patty joined the firm in 2002 and is an accomplished IS Director with a demonstrated history of working in the law practice industry. She effectively manages all aspects of the firm's technology investments and works to align the organization's technology with its business goals.

Patty provides key leadership and strategic IS management, delivering high-quality, highly-available IS services to customers, both internally and externally. She is skilled at hiring and retaining high-performing personnel, vendor negotiation and relationship management, and has expertise in IS service management and administration.

Prior to joining the firm, Patty worked at CompuWorks Systems Inc. as a technical consultant and account manager supporting law firm clients. She also previously served as Applications Trainer and User Support Specialist at Sullivan & Worcester LLP.
